Communal road trips are one of life's little pleasures.

For all life's journeys.

Wherever you're headed – from a long trip to just around the corner – communal road trips are one of life's little pleasures. And with seating for up to twenty-one people (including driver), the improved Coaster ensures all your passengers will enjoy the ride. From the moment passengers step on board through the automatic sliding door (Deluxe grade), they'll notice the difference. As well as ample head and leg-room, there are comfortable semi-high-back seats (except fifth and sixth rows), large windows, air conditioning, heating, seatbelts on every seat and tinted windows across the range.

Driven by comfort.

Thoughtful design touches and additions have made the Coaster more of a pleasure for drivers too. In fact, your designated driver has never had it so good – with power steering, adjustable bucket seat with lumbar support, tilt adjustable steering wheel and large brake boosters for smoother braking standard on all models. And with the option of a four-speed automatic transmission (Deluxe grade), complete with driver footrest (Deluxe grade auto only), a quick, effortless ride is now just around the corner.

Looks great, sounds great.

Coaster also boasts a sense of timeless style. A tailored front bumper and grille complement stylised headlamps and indicator lights, resulting in a sleek exterior. Inside is impressive too, with a clever instrument panel design, eye-catching upholstery (Deluxe grade) and ample storage space (Deluxe grade). As well as a PA system, we've also included an exciting audio system¹ featuring Bluetooth™² capability, audio input for some USB memory sticks and

iPods^{®3,4} and an MP3 compatible CD player to ensure the on-road sing-along powers into the 21st century.

A mover, not a shaker.

The one thing that hasn't changed is the Coaster's smooth ride. Independent front suspension with double wishbones and upper torsion bar and long tapered rear leaf springs ensure a smooth, stable ride at all times, with minimal body roll. For added safety, ABS brakes allow for more controlled braking when it really counts and four emergency exits means fast evacuation. And speaking of fast, the Coaster's 4.0 litre turbo diesel engine shows great acceleration when you need it most.

Get off to a flying start.

Whether you're dropping off at the local school or sports club, or picking up from the airport, even with a full passenger load you'll marvel at the Coaster's smooth power. With both the five-speed manual or four-speed automatic transmission (Deluxe grade), the Coaster is as happy zipping around

the city as it is cruising along on the freeway – even with trailer in tow. And when you get to your destination, you'll be pleased to know that the Coaster has been designed for smooth turning and easy parking.

With you for the long run.

Whatever use you put it to, you can rest assured that your Coaster will go the full journey. We've built it to last, with anti-corrosion steel throughout, tinted windows, hard-wearing upholstery and of course, Toyota's famous mechanical reliability and durability. And it doesn't stop there. Optimised diesel-engine efficiency minimises gas emissions, and adheres to strict EURO V emissions regulations, meaning the Coaster won't take the environment for a ride either.

CAPPED PRICE SERVICING

Pay no more from one logbook service to the next with Toyota Service Advantage.

New Toyotas come with Toyota Service Advantage. That means you pay the same low capped-price from one logbook service to the next for the first three years or 60,000km, whichever comes first⁹. So you'll enjoy the peace of mind of knowing in advance what your servicing costs will be. Add it all up and that means owning a new Toyota can be a lot less expensive than other cars. For the full benefits of Toyota Service Advantage consult a Toyota Dealer or visit advantage.toyota.com.au
